Set well back from the road, this spacious contemporary style home welcomes you as you enter through an expansive front courtyard garden with floor to ceiling Windows designed to let sunlight stream inside, merging these areas, giving you a sense of harmony and peace. Offering style and elegance, at a price to make you feel totally at home.

Changing with the times, the current owner has recently upgraded the flooring throughout, fitted a new kitchen including overhead cupboards, dual bowl sink plus gas stove cook top combination, replaced the bathroom vanity and repainted ensuring the new owner can simply move in and enjoy all the benefits.

There are 2 bedrooms, the master suite with built in robes overlooking the front courtyard garden, which is walled and gated for utmost privacy. Bedroom 2 also has the added advantage of built in robes.
